# Trenton Community Charter School

“Chartering a First-Class Future”

March 1, 2010

Dear Parents/Guardians,

It is my pleasure to announce the arrival of Mr. Christian Barnes our new, Supervisor of Curriculum and Instruction of Trenton Community Charter School. Mr. Barnes comes to us from Black Horse Pike Regional School District where he served as a Special Education Teacher at Timber Creek High School.

He brings with his extensive experience in special education mentoring partnerships and curriculum development. He has taught various grade levels serving as a self contained middle school teacher, inclusion teacher, and adjunct professor.

A five-member committee assisted with interviewing Mr. Barnes and several other candidates in January 2010. Members of the committee included teachers, administrators and a parent representative.

We will be hosting a meet the administration “chew-n-chat” on March 18, 2010 so that our parent community has the opportunity to engage in a positive relationship building dialogue with the new administration servicing Trenton Community Charter School.

Sincerely,

*Christi Pemberton*
